

REAL ESTATE DEVELOPERS and BUSINESS OWNERS

The Philippine Retirement Authority is inviting you to register your project / establishment with us and be accredited.

The Philippines is Asia's premier retirement destination and to date, there are 21,000 (and counting) foreign nationals (led by Chinese, Taiwanese, Koreans and Japanese) and former Filipinos who now call the country their second home.

By being accredited with us, you not only create exposure and awareness of your projects and establishments but you also earn a much-coveted stamp of approval sought by the discriminating retiree market, their family and friends.

As an officially recognized retirement facility or merchant partner, please allow us to display our brochures/flyers in your premises. Also, as a merchant partner, we would appreciate granting our retirees, marketers and employees with discounts and/or privileges.

In return, we offer your project or establishment free advertising in our website, newsletters and in our head office as well as satellite offices located in Baguio, Cebu, Clark/Subic and Davao.

Join and be part of the fastest growing industry in the Philippines today.

Visit us at the 15th floor, Citibank Tower 8741 Paseo de Roxas, Makati City or call +63 2 8481412 to 16 locals 131 or 132 and we'd be more than happy to assist you.
