All PRA Retirees-Depositors of Export and Industry Bank

Due to the recent closure of the Export and Industry Bank (EIB) by the Bangko Sentral ng Pilipinas (BSP), the Authority hereby announces its position:

1. PRA will NOT terminate the SRR Visa(s) of retiree-members whose visa deposits are with EIB;
2. PRA will offer assistance in facilitating insurance claims from PDIC up to its maximum deposit insurance coverage of PHP 500,000.00 per depositor;
3. PRA will request PDIC to release all insurance proceeds to the Development Bank of the Philippines (DBP) as the new accredited bank for retirees concerned.
4. PRA will develop a collection mechanism for the balance of visa deposits which will no longer be covered by PDIC, subject to the approval of the PRA Board and appropriate agencies;
5. PRA will communicate this information in the major broadsheets, the PRA official website, the Resident Retiree's Servicing Center, (RRSC), and SWS Contact Center; and
6. PRA Members/EIB Depositors who are not in this list are asked to contact PRA. Those with withdrawal clearance(s) from PRA but have not been able to withdraw their visa deposits from EIB are also asked to submit their names.

The Authority intends to keep its legal and moral obligations to its retiree-members and their heirs most especially in times of crisis like this.

Please feel free to contact MR. DARIUS R. MAYA of the RRSC Servicing Division at telephone number 848-7572 or 817-1090 for inquiries and clarifications.

Thank you.

Very truly yours,

VEREDIGNO P. ATIENZA
General Manager
